

Santa and Holiday Photos

The stage is set and Santa is on his way! Whether you are visiting with Santa or having family portrait without Santa here are some things we'd like you to know for your visit.

Parking: We are located on the Southwest corner of NE 94th St and 116th NE Ave. We do have 2 spots adjacent to the Studio door and there is plenty of street parking on 116th.

General: When you arrive please tell us what you want us to do for you and we will do our best to accommodate all requests, but if you don't tell us we won't know. :-). You can have photos of the kids with Santa and the whole family with or without Santa.

Children: Santa is looking forward to seeing and talking with your children. They are welcome to share their Christmas List with Santa or just tell him what they want. Our Santa is first rate with kids.

Families Only: We have 3 waiting areas, one right outside the studio door, a second on the platform half way up the stairs, and a third at the bottom of the stairs. You are welcome to wait with your family at one of these three areas. Alternatively you can wait in your car and come in when your scheduled time arrives.

Families with Fuzzy Kids: We look forward to helping get you a great pictures of your entire family including the fuzzy ones. You know your pet and we ask you to know what your pets limits are - if they don't get along with other animals be sure to keep your distance and on a leash. Once in the studio our handler will attempt to guide your pet into position and entice them to look toward the camera. If the parents and other non-fuzzy kids stay focused on the photographer it will make it more likely we can get everyone looking at the camera in one picture. If you walk your pet and they need to relieve themselves please pick up after your pet.

We are located in Kirkland just a couple blocks off 405 (the Costco exit).

1. Exit 405 on NE 85th St toward downtown Kirkland (West toward the lake), at the first Stop Light turn right onto 114th Ave NE
2. At the first stop sign turn right onto NE 87th St.
3. Follow the road that makes a hard left and turns into 116th Ave NE.
4. After you go over the second speed bump you will be right at NE 94th and our studio.
5. You will see an 8' tall stack of presents (that's us)

Street parking is ample along 116th Ave NE (Yellow bars). We also have 2 spots near the studio door, these should turn over pretty quickly, but parking on the street might be easier.
